CPHIMS CEUs Available

Application for nursing CEUs submitted

HIMSS has more than 45 chapters and more than 20,000 members working in healthcare organizations throughout the world. Chapters provide valuable links between healthcare professionals in close proximity.

HIMSS chapters regularly meet to learn from expert speakers, share knowledge, and network. To keep members posted on industry and HIMSS events chapter publish newsletters and maintain Web sites, such as the one you are visiting. Chapters may also offer educational sessions designed to help you in your workplace. They are one of the best resources you can have for keeping abreast of local issues - right in your own backyard.

## Northern Ohio Chapter

Website: [www.nohimss.org](http://www.nohimss.org)

The Northern Ohio Chapter of HIMSS mission is to enhance professional knowledge, create forums for networking and foster leadership at the individual and corporate level.

Our vision is to build and sustain a vibrant organization that is the recognized leader and authority on healthcare management of systems, information and change representing multi-disciplined professionals of all levels throughout Northern Ohio.

Membership in NOHIMSS is open to all persons interested in management systems, information systems and telecommunications as they apply in healthcare. The current membership consists of IT professionals, consultants, vendors, physicians, nurses, professors and students actively working in or interested in these areas of practice:

- management
- information systems
- telecommunications
- clinical systems
